YOUR INVESTMENT:

For Member - USD 600 per course

For Non-Member - USD 800 per course

Professionals build quality credit unions

BENEFITS FROM YOUR INVESTMENT

- Develop the professional skills and master the latest management concepts and techniques needed to excel in credit union business.
- Prepare the students to take on management and leadership roles
- Lessen the time needed to gain the pertinent knowledge and skills for those who lack experience and ability
- Whether you are new or a veteran, you will find something in this program to enrich your contributions to the credit union that, in turn, will increase the satisfaction you will gain from the service to the credit union.
- Help the learner to round out their role and ensure they are fully functioning for the credit union
- Enhance the development of the credit union and the learner by continuing to involve the leaders and staff of their respective credit unions in business decision discussions about topics and questions posed before and after this program
- Certification from ACCU can validate the knowledge and skills and position you for career advancement
