

ASSOCIATION OF ASIAN CONFEDERATION OF CREDIT UNIONS

2010 ACCU DIRECTORY

INTRODUCTION

Association of Asian Confederation of Credit Unions (ACCU) operates as a regional representative organization of credit unions and similar cooperative financial institutions in the region of Asia.

As of June 2010, ACCU has 14 regular members, 1 associate members, 15 Affiliate members and 35 supporter members from 22 countries.

A team of Competent human resources carries out the implementation of work plan under each of the following divisions: Planning and Development, Member Services, Promotion, Marketing and Research, Business Development, and Support Services.

As a regional organization of credit union leagues and federations, representing 22 countries in the Asia region, ACCU has a unique and diverse skill in the development of, promotion of, and strengthening of credit unions in different stages of development.

As a private sector financial intermediaries, credit unions play significant roles in urban and rural financial markets. In line with this,

ACCU's credit union approach primarily focuses to effect substantial contribution to the socioeconomic growth of Asian nations in the region.

By expanding its role and improving its public image, credit unions have become reliable and sustainable community based financial institutions bringing financial services to people not generally served by the formal sector.

The plan has only three goals:

1. Growth of the movement,
2. Competitiveness of credit unions in Asia,
3. Sustainability of ACCU.

Strategies are addressing the needs of credit unions enabling them adopt innovation increasing their market share. Among the strategies identified are:

1. Need Based & competitively packaged Products Strategy
2. Repositioning Strategy as a "Trusted Wealth Management Advisor"
3. Customer Relationship Management (CRM) Strategy
4. Market Segment Targeting Strategy
5. Reaching Out Strategy
6. Credit Union Monitoring Standardization Strategy
7. Changing Leadership Competency Strategy
8. Connectivity/Convenience Strategy
9. Branding Strategy

The plan entitled Fostering Cooperation and Innovation for Asian Credit Unions Growth and competitiveness stands for the entirety of the plan. ACCU recognizes that there is an urgent need for a sweeping commitment for cooperation to bring far-reaching growth changes in Asian Credit Unions.

The annual Statistical report is tool to monitor the growth and development for credit unions. This report is the consolidation of the statistics of member countries as of December 2009.

VISION & MISSION

Our Vision

Sustainable Credit Unions in Asia

We believe that ACCU's primary purpose is to ensure credit unions are continually providing affordable financial services to their members. To perform its purpose, credit unions have to achieve financial viability, operational efficiency, member-customer and employee satisfaction, competitive position, knowledgeable and involved boards of directors and quality products & services. ACCU's value added services to members are all directed toward the shared vision.

Our Mission

ACCU works in partnership with its members to strengthen and promote credit unions as effective instruments for socio-economic development of people.

Our Core Values

- **Dynamic Regional Organization for Credit Unions:** We will strive to expand our human resources by mobilizing competent people who can deliver value-added services to our members in a timely manner.
- **Leading Organization for Credit Union Innovation in Asia:** We believe that innovation is central to helping our members and credit union movements achieve breakthrough and sustainable results. We will fearlessly question the status quo and stretch ourselves and our members outside of our comfort zones to advance new ideas and solutions. We will innovate to advance the strategic goals of our members. We will intentionally network and explore opportunities to learn from different experiences and perspectives in solution development process for credit unions.
- **Learning Organization for Credit Unions in Asia:** We will be the resource center or facilitator for credit union best practice, management tools, systems, guidelines and technology.
- **Highest Quality Service Possible:** We will provide highest possible service at all times to our members and stakeholders. These services are characterized by responsiveness, accuracy, reliability and professionalism. We will strive for quality improvement.
- **Focus on Our Members' Success:** We understand that our members ask us to assist them with some of their most challenging business concerns. We recognize and value the trust they place in us and understand that our success as an organization begins with their success. We will understand their specific and unique business needs and objectives and will tailor culturally appropriate solutions focused on the current challenges of credit unions.

We will strive to create uncommon value in the work that we do by leveraging the best that our organization has to offer for every member.

- **Operate with Integrity and Accountability:**

We understand that our members expect us to uphold the highest ethical standards and best business practices in our delivery of services to them and in the management and operation. We will share the truth, as we see it, with our members and with each other. We will only make realistic commitments and then we will honor them. We will hold ourselves and our organization accountable for our actions and our results.

- **Sustain a Diverse, Inclusive and Rewarding Culture:**

We understand that our ability to create uncommon value for our members starts with sustaining an inclusive culture internally. We believe that such an environment is key to attracting, retaining, growing and inspiring our members. We will practice what we teach, inspire credit union leaders and professionals and assist members regardless of their resources constraints. We will collaborate and support each other in our work and extend that spirit of partnership to the working relationship with our members and credit unions.

- **Foster Solidarity and Teamwork:**

We will take personal responsibility for continuing to improve the unity of the Asian credit union movement. Our mechanisms, policies and programs will at all time harness unity. We will always recognize that the people are the most important asset in the credit union movement, and thus relationship and teamwork within the people of the credit union should be give focal point in whatever we do. We will strive to protect the solidarity of our people and there will be no room for division.
