Re: Follow up of consultation visit to Iran on August 22 to 25, 2008

Dear Mr. Tavakoli:

Greetings from ACCU!

I hope ACCU consultation mission to CCCUI brought fruitful outcome. I have sent report with strategic plan for CCUI to build its capacity. The report contains 15 recommendations. We would be delighted to hear the progress of the implementation of the recommendations.

As per our discussion, CCCUI agrees to support the Credit Union Development in neighboring countries in Asia. ACCU is interest to organize such promotional program. We would be happy to prepare action plan. May I kindly request you to send your plan on this.

ACCU conducted Sub-regional Workshop on the Role of Credit Unions in Achieving Food Security 2020 on February 18 to 22, 2009 in Nepal. We met Professor Qamar Mohy –Ud Din Direocter Policy Research &advocacy from LOK SANJH Foundation in Pakistan gamarlsf@yahoo.com ; lok_sanjh@yahoo.com. He expressed interest to learn the operations of credit unions/cooperatives and look at the possibility of introducing credit unions in his program areas. We thought it would be much more appropriate to visit Iran rather than Thailand considering the similarity of cultures in Iran. Here is contact address of Prof. Qamar gamarlsf@yahoo.com ; lok_sanjh@yahoo.com.

We would appreciate if you could facilitate his study visit. I look for ward to hearing from you.

Sincerely yours,

Ranjith Hettiarachchi
